ConJoin Technology Partners has launched Clickfree, an auto-mated back-up device, in India. Easy to install, Clickfree allows you to back up your data by simply plugging it into the USB port of the computer. The hard disk drive (HDD) recognizes around 400 file formats, including Office files (Word, Excel, PowerPoint, among others), as well as music, videos, photos, email and Internet bookmarks. Click-free HDDs are available in 2.5- and 3.5-inch sizes and the storage capacity ranges from 160GB to 2TB. Another device, Clickfree Traveler, is so small it fits into your wallet and is available in capacities of 16GB, 32GB and 64GB. BY A STAFF WRITER
